Get to know Us

Based in Qatar, New Waves offer top quality web design and development plus a full range of professional digital marketing services. [Connecting Buyers & Sellers at Scale!](#)

We help businesses get more customers using the power of digital marketing.

Passionate About Our Work

Quite simply, we provide a business 2 business service to all types of SME's. We practice in the arts of creating websites, digital marketing strategy, company brands, social media marketing, search engine marketing and optimizing websites for search.

It may seem a little geeky, but the genuine buzz we feel from getting results for our clients is what drives the company forward.

Our mission

- To help you raise your business to the next level.
- To help professionals build their personal brand online
- To help companies expand their business online, reach new clients and get new opportunities.

Our goal

To free up your valuable time so you spend less time running your business and more time growing it.

We are a strategic partner to the Ministry of Transport and Communications (MOTC) for the Qatar government's Digital Transformation of Small and Medium Enterprises (DTSME) program.
